

STUDENT GUIDE - 2022

Login to your account using the link in your welcome email.

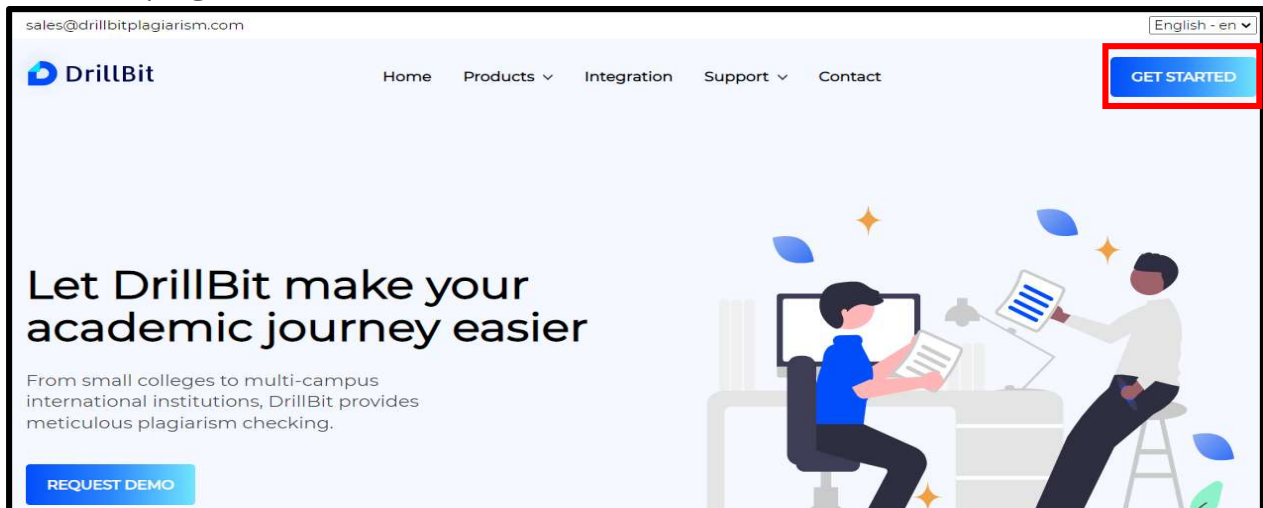

If you have received a welcome email from DrillBit, it means that your instructor has been added you in the classroom to upload assignments.

If an instructor has added you in the classroom, but you have not received a welcome email from DrillBit, please check your spam or junk folder. Alternatively, contact your instructor to check that your account has been created successfully or not.

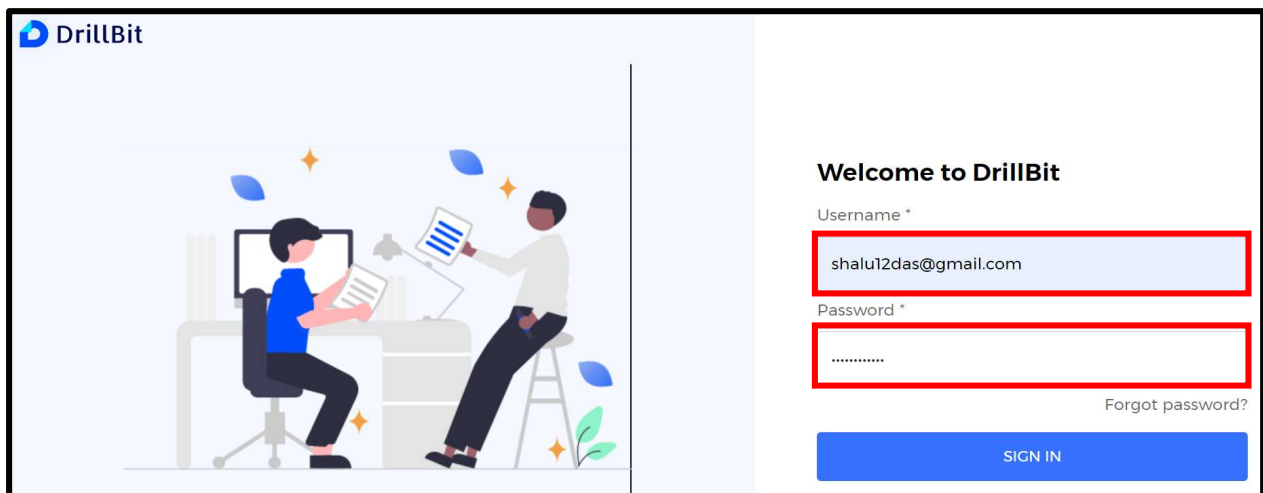

How to login into DrillBit Account?

1. Go to <https://www.drillbitplagiarism.com> or click on the link provided through the welcome email.

2. At the top right click on the "Get Started" button

3. Enter the username and password and click on the Log In button

Student Dashboard

Department	Fff
Created Date	2022-10-09 12:46:50
Expiry Date	2022-12-31 00:00:00

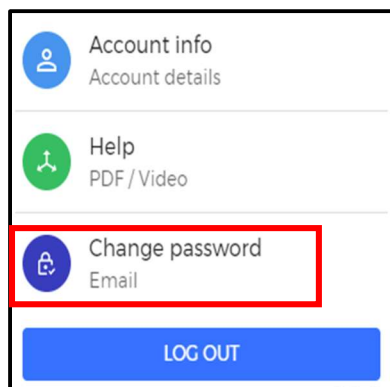

Help

Student can download the PDF guides and video tutorials

Change password

Student can change the password by using “change password” option on the profile menu.

Enter the old password, enter the new password & confirm the new password, and click “change password” icon

A screenshot of a 'Change Password' form. The title 'Change Password' is at the top left. Below the title are three input fields: 'Old password *', 'New password *', and 'Confirm password *'. At the bottom of the form is a blue button labeled 'CHANGE PASSWORD', which is highlighted with a red rectangular border.
